**Form Nr. 3
Fan
Registration**

FANs must be registered by **June 1, 2020** at the latest. Then we can no longer reserve rooms for you. Based on the registrations, an invoice is sent to the country, which they must pay immediately. Registration is only valid once the invoice has been paid. The bills are issued by the host country and payment is made directly to the host country. The costs and services from the fan package relate to the offer and can also be found on the IALC homepage (www.ialc.ch). For each fan, fill out a row in the table below. Completed registrations cannot be canceled and must therefore be paid for. The national team can only start at the WLC when all bills have been paid.
